Education is a social process . . .
Education is growth . . .
Education is not preparation for
life; education is life itself.
John Dewey

Like plants rooting in soil, each year the seeds of the future are planted through the underclassmen at Fostoria High School. As a seed, some are nourished by the variety of educational experiences offered them, while others lay dormant. Each student has his own growing cycle. Many students' growth is shaped by their environment. Some develop through activities, clubs and organizations, while others bloom through sports. As students, we are in a constant state of becoming. Growth is change and FHS is also growing. This year many new people have brought fresh nutrients to encourage healthier growth. Each teacher will influence each student differently. Like plants, not all students develop as predicted; not all bloom, nor do all years produce bumper crops; but as graduation nears, each student begins to spread into and unite with the larger community. Through our seniors, the bud has formed. To them belongs the power to bloom and flourish. They won't all turn out alike, but like plants, they hopefully will blend together to make a harmonious picture.

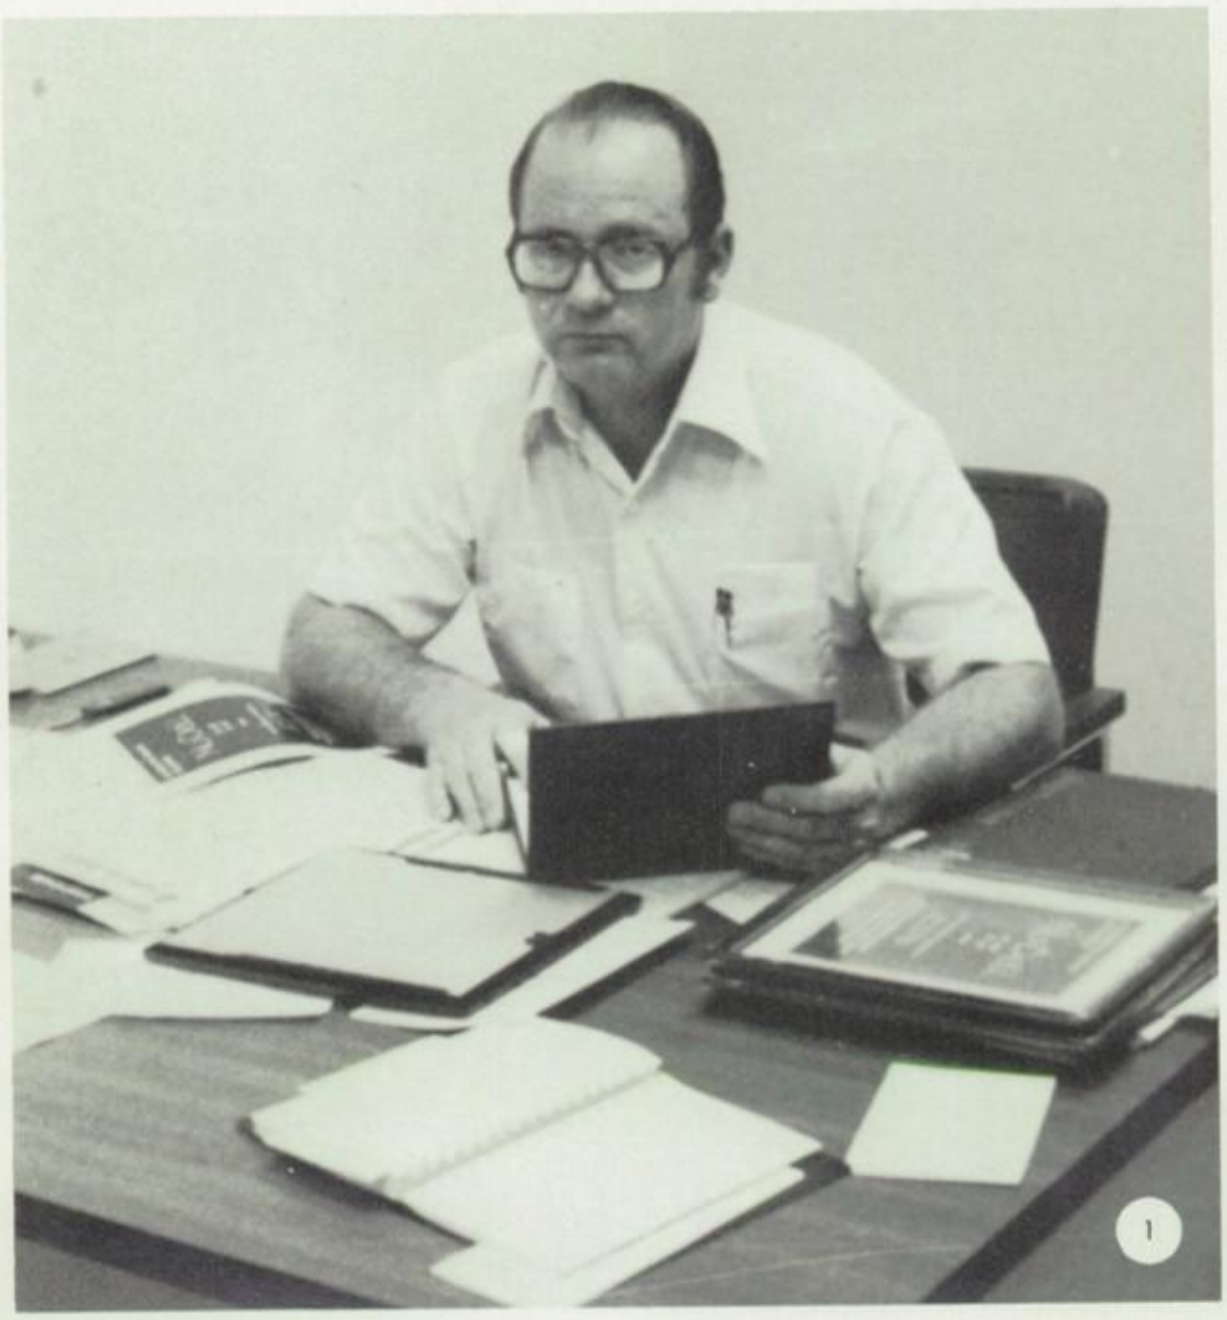
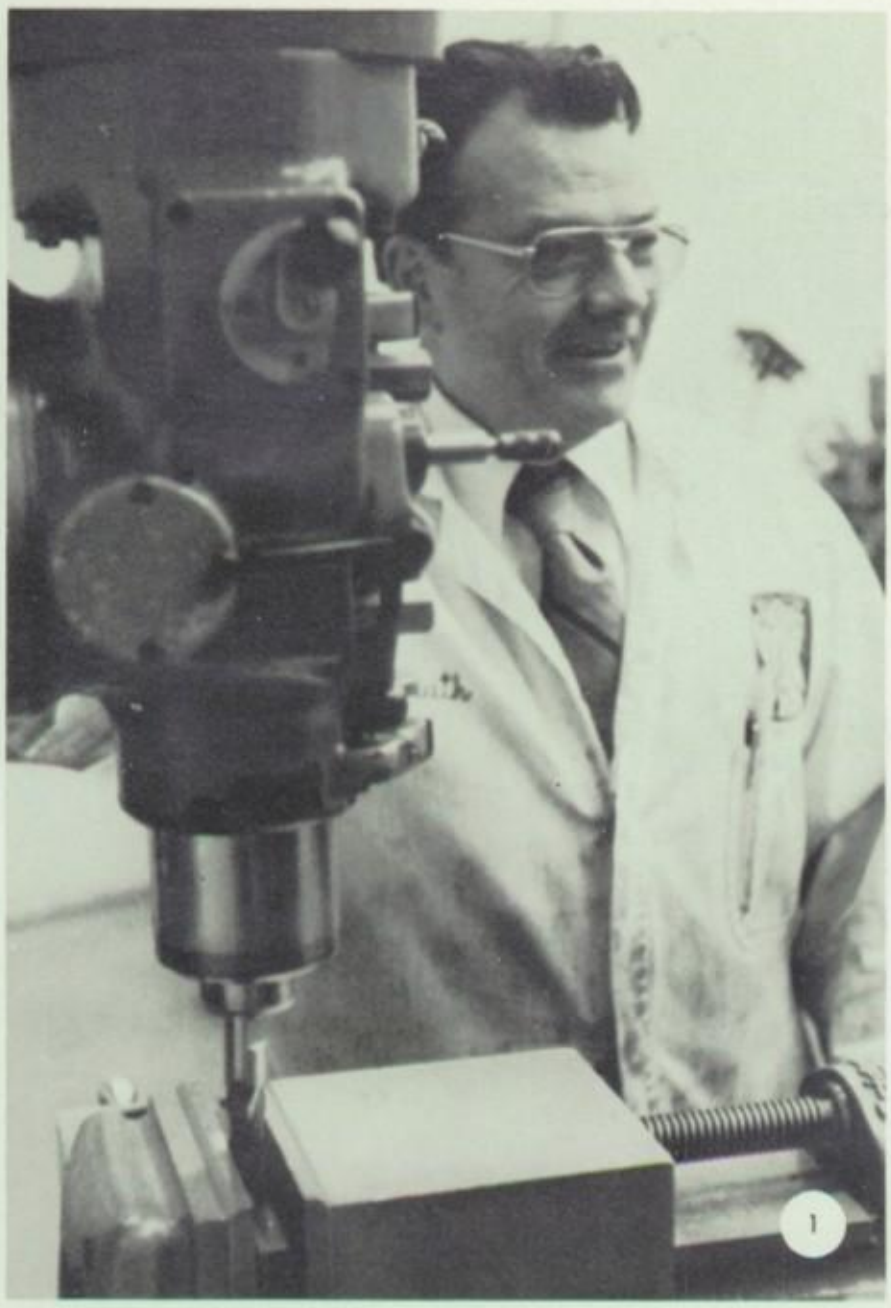
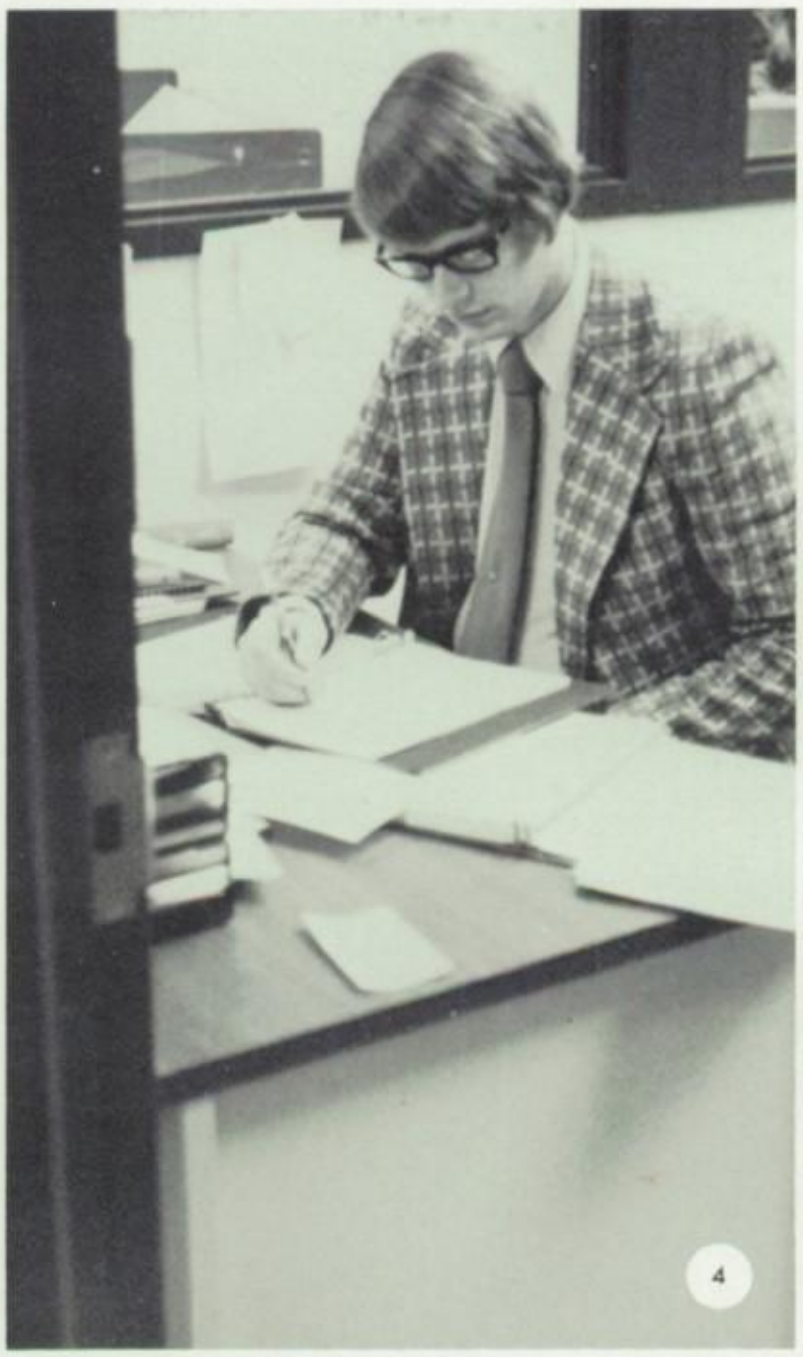
# *New faces inspire change*



1 — Mr. Miller arrived well before the rest of us to organize for a smooth opening.
2 — Senior IOE teacher, Mrs. Hogan, proves her typing proficiency.
3 — OWE co-ordinator, Mr. Kidwell, dreams of better things than "all these papers."





1 — Mr. Fruth drills in tool safety to his machine related classes.
2 — "Louder, louder," encourages Mr. Schweppe as he leads the singing of the alma mater.
3 — 5 a.m. basketball practice doesn't seem to bother head basketball coach Bailey or assistants Haddix and Fisher.
4 — "If this is Friday, it must be time for spelling," decides Mr. Wood.

Soon the full circle will come to pass.
Sunrise, Sunset, Sunrise, Sunset.
Swiftly flow the days; —
Seedlings turn overnight to sun flow'rs,
Blossoming even as we gaze.
Sunrise, Sunset, Sunrise, Sunset.
Swiftly fly the years; —
One season following another,
Laden with happiness and tears.

All changes, even the most longed for have their melancholy;
for what we leave behind us is a part of ourselves; we
must die to one life before we can enter into another.

Basketball isn't the only reason Fostoria is the "Home of the Hustle." The Fostoria Chapter of FHA had an active, productive year.

The girls kicked off the school year by hosting PENTA, the District FHA meeting. Over 400 girls and their advisors came to Fostoria on October 29, for the main event of the year.

FHA planned many other events for the remainder of the year. In February, they helped sponsor National Vocational Week together with five other vocational clubs. The girls served breakfast to the teachers, provided an open house, spoke on television and radio, and provided local restaurants with placemats.

Other activities for the year included a shopping trip to Toledo, ice skating, and dinner at the Westgate Dinner Theater.

The past year has proven very successful for student council. Their biggest accomplishment was the purchase of the juke box shown on the opposite page. Council had been trying to get one for several years. As a fund-raising project, council has opened a student bookstore and members sell pencils, paper, and notebooks during lunch periods. Megaphones have also been sold to raise money. It has been an active, productive year.

HANGOUTS CHANGES T.V.

Homecoming this year was a fun and exciting event for everyone, especially the 1977 Homecoming king and queen. After waiting for weeks for the special evening to arrive, the Homecoming festivities began behind Emerson Junior High at 6:30 p.m. on September 30.

A parade traveled through town led by the band and the cheerleaders. The attendants and their escorts were driven by shiny convertible Corvettes and followed by class floats. The procession then paraded in front of the large crowd seated in Memorial Stadium.

The girls were escorted onto the field and received a large round of applause. The king and queen reigning over 1977 Homecoming festivities were Tom Stearns and Jan Bixler. A large smile of surprise shone from both of their faces.

Last year's royal couple, Joanne Graves and Bob McCullough, were there to congratulate the new reigning couple. Joanne presented Jan with a spray of red roses and placed the crown on her head. Bob gave Tom a pewter mug.

# *Excitement rises with Homecoming festivities*

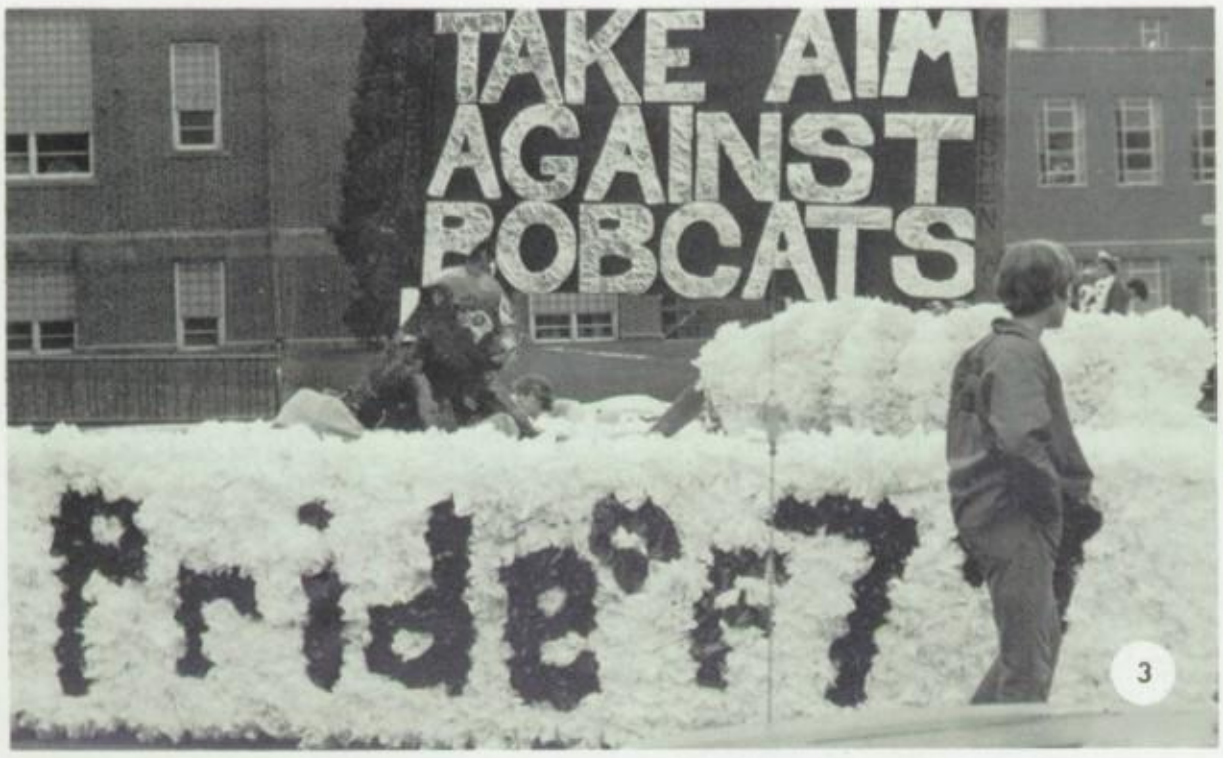
1 — Mr. Miller, Mr. McCambridge, and Capt. Switzer share the excitement as part of the crowd.

2 — Jan glows with joy as she receives the crown.

3 — At Emerson Amy Kramb and Shellie Krout pin on each other's corsages.

4 — The cheerleaders, getting fired up for the game, lead the parade.

5 — King and Queen candidates are Kirk Eynon and Karen Scharlach, Kevin Shumaker and Robyn Wilson, Jan Bixler and Tom Stearns.



1 — Freshmen put finishing touches on their float.
2 — Homecoming court and crowd watch game with interest.
3 — Juniors "aim" for a win in the float competition.
4 — The FHS band drums up a new and exciting half-time show.
5 — Sophomore Amy Zimmerman finalizes her class float.
6 — Redmen take charge over Bowling Green Bobcats.
7 — Senior Vicki Bacon displays her mum.
8 — Picking a winning float is always difficult to do as is shown by the judges' expressions.

# *Annual float competition stirs class rivalries*

The theme for the float contest this year was television commercials. The seniors won the prize with the theme "Redmen, You're the One," representing McDonald's restaurant. Pictured at the left are the underclass floats. Winning the prize for starting the earliest were the freshmen, as they began work in late August. Their theme was "Bobcats be Eveready for the shock of your life." "Here comes the King," for Budweiser beer was the sophomore theme while the Juniors used "Take Aim against Bobcats," for Aim toothpaste.

After the main homecoming events of the evening, the king, queen, attendants, and escorts took seats in the stands to watch the Redmen take on Bowling Green. The Redmen put up a good fight but lost to the Bobcats, 8-15.

At halftime, the band put on a special performance. They danced to "Rock Around the Clock" and featured the newly selected 1977 majorettes.

Celebrations continued after the game at the high school gymnasium where the homecoming court and student body enjoyed the music of "Hyper."

# *Football coaching staff sports new faces*

The 1977 FHS varsity football team, under new coach Dick Kidwell, experienced an up-down year on its way to a .500 season.

Coach Kidwell came to town with a totally new football system in mind and only a short time to introduce it.

The first half of the season saw the Redmen not executing this system very well as they won only two of six games. At this point things looked bleak for Fostoria Senior. Kidwell's strategies finally paid off, though, with FHS winning their next three out of four contests.

FHS opened their 1977 season against the Ottawa Glandorf Titans. The Redmen played a good game except for the final 22 seconds. Both teams were knotted at 6 with O.G. having the ball on the Redmen's 44 yard line. On the following snap, the Titans scored on a screen pass to defeat FHS, 13-6.

Spectators saw another defensive battle in the Redmen's next game. FHS sneaked past Tiffin Columbian, 7-6. Fostoria's lone score came on a block punt midway in the second quarter.

1 — FHS faired much better away from home, posting a 4-1 mark at away games.

# *Freshmen lend hope for brighter future*

FHS couldn't make a clean sweep of the Tiffin schools this year as they fell to Calvert, 39-16. Fostoria's offense came to life in the closing minutes of the third frame to score their first touchdown. On their next possession they marched 84 yards for another score, but it was by far too late for FHS.

Fostoria opened their Great Lakes League campaign against Bowling Green. Although the Redmen outgained BG in total yards, the final score was not in their favor. The decisive factor was the five fumbles the Redmen coughed up.

The Redmen executed almost perfectly on offense against Rossford which paid off handsomely for them. FHS bought their record to 2-3 with a 34-12 rout of Rossford.

The Redmen's offense fluctuated greatly within one week as they were shutout in their next contest by Port Clinton. Fumbles and mental mistakes on the part of the Redmen played a big role in their 20-0 defeat.

Fostoria Senior reversed the roles the very next week. FHS gained their first shutout of the season against Sylvania. The Redmen's defense played superbly in this league game, putting them at 3-4 for the season.

The Redmen were victorious in their next two out of three outings, which ran FHS's record to 5-5 for the 1977 season.

# *FHS harriers achieve magnificent season*

Undefeated, GLL champs, sectional champs, and district champions are just a few ways that the 1978 FHS varsity cross country team could be described.

The team posted an astonishing 11-0, dual and tri-meet mark, which was the first time ever that a CC team went undefeated in FHS history.

The team seemed to reach its peak at the right time this year for coach Carl Fisher. The Redmen stood second to none at the GLL league meet. The second big win for FHS was at sectionals. Fisher's troops were rolling, and nothing could stand in their way as they breezed to a district meet win. The only meet left was state, and the Redmen put in a good showing there, placing ninth.

Three members of the team made the All-GLL team: Chuck Pullom, Tom Kidd, and Brad Blose. Pullom, only a junior, won a higher honor yet, as he was named to the All-Ohio Cross Country team.

Pullom was voted by his teammates as MVP, while Rick Krout was the recipient of the most improved runner award. Brad Blose was recognized as being a four-year letterman.

Not only did the varsity harriers do well, but the reserves were equally impressive. The junior varsity team was 8-0 in dual and tri-meets, won the Perrysburg Invitational, and achieved the distinction of being GLL champions for the '77 season.

The Redmen looked exceptionally well in all their meets. Not one team pressed the reserves, as all their victories were by wide margins.

Fostoria High School's golf team finished its fine season at 7-7.

Leading the Redmen once again with a 76 average was Bob Holderman. Among his other accomplishments were first place finishes in sectionals and districts and a place on the All-GLL team.

Other members of the team and their averages were: senior, Mike Johnson, 89; juniors, Doug Dennison, 87; Bob Lewe, 88; Jon Brough, 98; and Jeff Mortimer with a 98.

Even with the loss of four-year letterman Holderman, next year's team should be promising with four returning lettermen.

1 — VARSITY GOLF TEAM: Mike Johnson, Bob Holderman, Bob Lewe, Doug Dennison, Jon Brough.

2 — Driving his way to a third consecutive All-GLL team was Bob Holderman.

3 — RESERVE GOLF TEAM: Randy Gerritsen, Eric Billings, Jack Chalfin.

# *Volleyball team leaps to new heights*

The girls' volleyball team had its finest season ever. Not only did their record improve from 10-4 to 12-6, but they also tied for the GLL championship and were tied with Eastwood for the sectional championship.

The team will lose three seniors, Mary Stevens, Betty Jackson and Linda Manecke. Mary was the team's super-setter. She also was a valuable digger. Linda, a newcomer of two years, was an all round valuable player. She could set, bump, and spike the ball well. Betty, a four year letterman, dominated the team and each game that she played. Her spikes were not only smashing, but her bumps and sets were equally impressive.

The reserve team was dominated by freshmen and sophomores. Both Coach Sally Wolf and Coach Corinne Cahlik like it this way as it gives freshmen and sophomores experience on the reserve team before they move up to varsity in their final two years of play.

# *Young girls' tennis team has tough season*

The 1977 FHS varsity girls' tennis team posted a somewhat expected 4-8 record.

The Redmen only had the services of two seniors last year; Karen Scharlach and Beth Stevens.

There were bright aspects to the girls' season, though. Two sophomores, Jackie Elsea and Kelly Conrad posted 6-6, which were the team's best records.

Coach Janet Dalrymple believes next year will be a rebuilding one for the Redmen.

The 1977-78 FHS varsity basketball team experienced something which every team does now and then — a new coaching staff.

The team members have had to do a lot of adjusting from the way they used to play, to the way the new coach would like them to play.

This transition is not always an easy one.

The first half of the season the Redmen showed plenty of hustle and desire but they still weren't playing together as a team. By midseason FHS was only 1-8.

It would have been very easy for the players to give up, especially for a senior oriented team such as FHS.

The Redmen didn't give up and worked hard to develop into a competitive ballclub for the remainder of the season.

Lakota was Fostoria Senior's second victim of the season. The two rival clubs played furiously with Fostoria reigning victorious, 65-63. This brought their record to 2-8.

Sylvania Southview, Sylvania Northview, and Oregon Clay were the superior teams during the next scheduled games, with the latter two being extremely close contests for FHS.

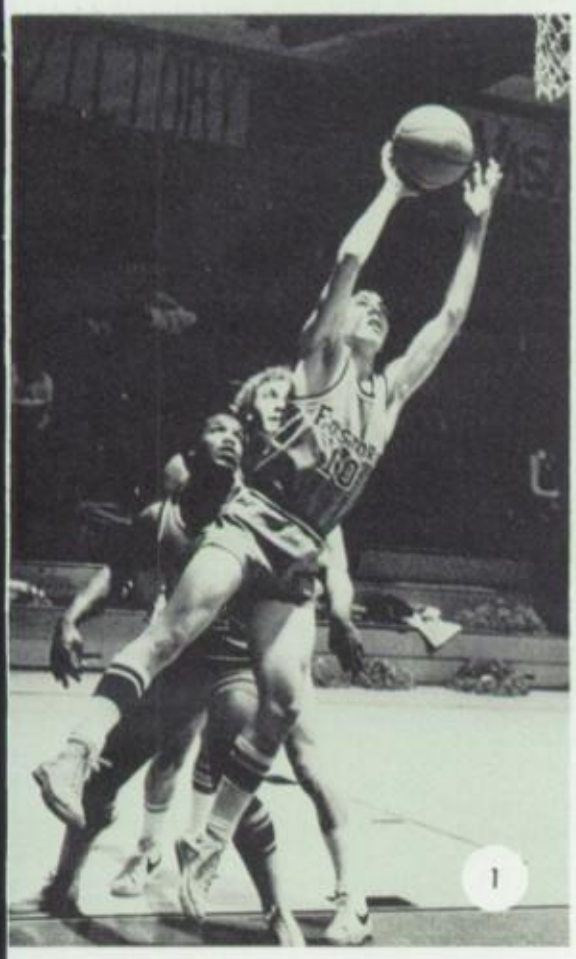
# *Poise, desire, key to winning next year*



The Redmen played one of their better games of the year against Port Clinton. Two hours later PC left town with their hopes dashed for a league title. The loss to the Redmen put them out of league contention.

FHS finished the regular season at 4-14. Sectional tournaments were the next item on the agenda for FHS.

FHS won their first tourney game, beating Lakota for the second time, 77-74. In the sectional championship game, FHS lost 45-61 to No. 1 seed Genoa.

Anyone who saw the Redmen in their first five games couldn't make a comparison to what they saw of the reserves in their following games.

It was a complete turnaround for FHS. The reserve team was devastating after their first five games, as they posted an 11-2 mark.

# *Freshman teams develop pride, character*

The freshman "Red" basketball team, coached by Rick Haddix, met stiff competition during the course of their 2-6 season.

On the team's schedule were three Findlay schools and two teams from Tiffin. The Redmen were on the down side of three out of four games against Findlay teams. The teams from Tiffin also held the upper hand on the FHS frosh, beating them twice.

The "Black" team, under the direction of David Uher, faired somewhat better against their opponents than the "Red" team did. They broke even for the season at 5-5. Uher's bunch seemed to get it going every other game as they won practically every other game that they played.

The reserve team of next year undoubtedly will be filled with many of this year's freshmen players.

All-Ohioan Betty Jackson was once again the leading scorer for the team, holding a 29.6 points per game average. She also broke the record of most points scored in a game with 37. Peggy Flechtner led the team in rebounding, closely followed by Jackson.

The reserve squad also had to undergo an important change, the acquisition of new coach Miss Marsha Biller. The team consisting of mostly freshmen and sophomores spent the year gaining experience. Laura Deerwester and Kelly Conrad led the team in scoring, as they struggled through an 0-14 season.

The FHS grapplers wrestled their way to what appears to be a mediocre 5-7 season, but a closer look at Fostoria's record would indicate a turn-a-round from the beginning of the year.

Not only did the varsity start out on the wrong foot against Findlay but they also lost their next four matches of the 1977-78 season. The wrestling team was off to one of its slowest starts in many years with an 0-5 record.

Coach Paul Moore's squad deserves to be credited. Despite early season losses, FHS persevered and won their next five out of seven contests.

Two wrestlers from the team had outstanding records.

At 98 pounds, Bill Bowman posted a fine 17-4 record. Bowman is only a freshman.

Junior, Brian Chapman lost only two matches the whole season, bring his record to 22-2.

Chapman's other accomplishments include: qualifying for the state wrestling tournament, winning the MVP award, and leading the team in pins.

The FSH reserve wrestlers compiled a respectful 5-5 1977-78 season.

Coach Kidwell's team wasn't able to wrestle consistently throughout the year but they did get the job done.

The reserves won their first match against Findlay but proceeded to lose their next three in a row.

The Redmen turned the tables in their next three matches. FHS was on the winning side this time.

The reserve grapplers were defeated twice in the final three contests. The reserves won a decisive 31-11 victory over the Lakota Raiders.

All of the cheerleaders worked hard this summer to raise money to send the varsity cheerleaders to camp at Alliance, Ohio. Here the varsity squad did exceptionally well and came home with a Champion plaque and an invitation to the National Grand C pionship. Though they did n lvance further, the experien hat they gained is visible to home fans.

The FH heerleading squad also increased its size this year and gained a new advisor, Miss Janet Dalrymple. She has helped organize many activities for the girls and encouraged them to set a good example of school spirit and good sportsmanship.

# *Water sports make a splash at FHS*

Being in existence only two years the FHS swimming and diving teams are making a name for themselves. Both the boys' and girls' teams are small, but individual talent stands out strongly. Last year the entire girls' team went to the state swim meet where they gained useful experience.

The boys' team consisted of Dave Rinehart, diving and Craig Baldwin swimming. Dave has dived two years for FHS and this year is seeded sixth in the Districts. Craig plans to go to state this year. Craig is a backstroke specialist and also excels in the individual medley.

The girls' swim team is anticipating a good season this spring. With an increase in depth, the girls should be fairly strong. The Redmen lost only two swimmers, while picking up four this year. A shortage of swimmers didn't stop the girls from turning in excellent times last year. Their main goal this year is to have two girls swimming in each event. Relays should be very strong and are expected to place high at districts. Linda Manecke is the lone diver for the girls.

The 1977 FHS boys' track team capped its fine season with an impressive showing at the GLL track meet, as they came away league champions.

Not only did the cindermen take first in the GLL, they placed first in three other relays. FHS won the Whitmer, Findlay, and Fostoria Relays.

FHS also placed third out of 27 AA teams at the Blade Relays and second at their sectional.

Award winners were Chuck Pullom, MVP; Tom Kidd, Most Improved; and Brian McClellan, Pride and Desire.

# *FHS looks for sensational season in '78*

The 1978 FHS Girls' track team should be very competitive this spring. The Redmen lost only two seniors from the team that placed second in sectionals, third at districts, and fourth at the Blade Relays. With that many returning lettermen, opponents should watch out for FHS this coming track season.

2 — Laurie Boff clears the bar easily at a home meet.

An astonishing amount of records were broken in 1977 by a considerably young team. Not fewer than 20 previous marks were shattered by the girls. Only four of the new records were achieved by seniors, leaving the rest to the underclassmen.

Senior Patty Hoover, juniors Chris Nye and Betty Jackson all advanced as far as districts. While Hoover was tying her previous district hurdle record, Jackson proceeded to set two new district meet marks in the shot put and discus.

Hoover and Jackson both made it to the state meet. Both girls put in a fine showing for themselves, as Hoover placed fifth in hurdles while Jackson took a fourth in discus and seventh in shot.

Three awards were given last year to the girls. Betty Jackson received MVP; Laurie Boff won the Rookie's Award; and Melanie Zirger was given the Coaches Award.

# *Returning lettermen lead baseball team*

The 1977 Fostoria Redmen varsity baseball team finished its season with a 5-14 record.

Though the record doesn't show it, many of the Redmen's games were close contests that could have swayed in their favor.

Another plus for the team last year was their sectional play. The Redmen played their best game here, but still came up on the short end, losing 3-4 to the district runners-up, Eastwood.

Four Redmen players took GLL honors last season. Mark Bauman and Brian Chapman received second team honors, with Rick Sallisbury and Joel Swinehart winning honorable mention.

Coach Steve Russell has eight returning lettermen and many talented reserve players. R. Sallisbury and B. Chapman, who led the team in fielding and hitting, respectively, will be two of the eight returning.

The 1978 varsity baseball team should post the best record of any prior FHS team.

A young FHS tennis team had a somewhat expected season last year as it was considered a rebuilding year for coach John Fox. The tennis team compiled a 3-9 record.

The 1977 team consisted of senior Randy Burk; juniors Bob Holderman, Brian Hiser; sophomores, Bob Lewe, Mike Krupp, Jeff Mortimer; and freshman Smiley Thompson.

The Academic Award was given to R. Burk while B. Holderman won the Booster Award.

The 1978 tennis team is expected to be a top contender in the GLL with the same six lettermen back from last year's team.

The heritage of the past is the seed that brings forth the harvest of the future.
Archives Blds., Washington

As the year draws to a close, many of us are finishing another stage in the cycle of our lives. The seniors have now had the power to bloom and flourish. Will this blossom wilt, or will it continue to develop and inspire new seeds to be planted? Each one of us must answer that question for ourselves.

There have been many changes through the year. Certainly the changes in administration have touched us all at one time or another. We've all learned together this year — from Mr. Miller at the top, to the new teachers and the students. Patiently, and sometimes not so patiently, we all dealt with the new policies and changed our patterns.

Parking stickers . . . the juke box . . . the State cross country meet . . . a student bookstore . . . closed exams . . . the Sammy Hall concert . . . odd bus schedules . . . sports and clubs . . . the big blizzard . . . the prom . . . learning . . . growing . . . changing . . . expanding . . . These are just some of the memories that we will take with us. As the years pass, faces and names and places will become a blur. We hope that we will clear the doubts and bring many happy memories each time FOHIRAB '78 is opened.

As we all branch out to find our own niche in the world, let us remember what brought us to this point. For the seniors especially, may these memories live on forever!
